Not your average tax deduction. Whether your goal is to show appreciation to donors, de-stress high performance athletes, nurture clients or reward employees, Full Circle specializes in adding that unique and special touch to your event. Let us help you create the perfect complement to your conference, corporate party or sporting event. Then sit back and relax as Full Circle takes care of all the details to pamper and impress your special guests. Consider the possibilities.

CUSTOM PACKAGES The best corporate events provide fun and unique activities for attendees, their spouses and guests. Imagine offering a brisk morning hike culminating with an awe-inspiring mountaintop yoga session, or a serene snowshoe excursion followed by the perfect massage. Treat your group to a spa party featuring Martinis and manicures or, help them wind down at the end of a busy day with Hatha yoga instead of Happy Hour. We love to create custom packages and pricing to best serve your group's needs.

SPA PARTIES Every event planner wants to treat their athletes, sponsors and VIP's to an exclusive and first-class experience. Why not let Full Circle create a private spa room at your event location offering manicures, pedicures and chair massage to your special guests? Or, pamper party-goers with a spa package of hair, nails and make-up to prepare them for the big event.
